

# KNF PRODUCTION

## Day 1 D E L I V E R Y

Subject: Winner Machine slot

Code:

```
<script>
    $(document).ready(function() {
        $('.carousel').carousel({time_constant: 3000,dist:
0,shift :0,padding:10});
```

//Time\_constant:

//Transition time. (Default: 200)

//Dist:

//Perspective zoom. If 0, all items are the same size. (Default: -100)

//Shift:

//Set the duration of the transition animation in ms. (Default: 500)

//Padding:

//Set the duration between transitions in ms. (Default: 6000)

//full\_width:

//Set the duration between transitions in ms. (Default: 6000)

```
    $('#find').click(function() {var
x=15*5+parseInt($('#num').val(), 10);
```

//Find:the id of the button that run the animation

//Num:the id of the input that take the id of the player

//x:is the number of the round that take the machine.

//15:is the number of the player .

//10:is a number of round before the last round. In our case the machine  
make //15\*10 =150 round to get to the final round.

```
    $('.carousel').carousel('next',x);
```

//The machine will move to next 75+number of the player.

```
function d() {
    setTimeout(function() {
        var k='#'.concat($('#num').val());
        $('#img').css('display','none');
        $(k).css('display','block');
        $(k).animate({
            top: '200px',
            opacity: '1',
        },1000);
```

```

//1000ms:is the time of the dropdown of the image.

        e();
        $('#panel').text('THE WINNER IS
PLAYER: '+$('#num').val());
        $("#panel").slideDown(1000);

//1000ms:is the time of the slide down of the input : "THE WINNER IS THE
//PLEAYER n"

    }, 22000);

//22000:is the time that take to lunch the winner animation, you should put fix it
//carefully by making same test.

}

    d();
    function e() {
        setTimeout(function() {
            $('#svg1').slideUp("slow");
            $('#svg').slideUp("slow");
            $('.card-image').slideUp("slow");
        }, 2000);

//2000:the time for the animation that slide up all the content if the images

    }

        });
    });
</script>
<div class="carousel">
    <a class="carousel-item" href="#one!"></a>
    <a class="carousel-item" href="#two!"></a>
    <a class="carousel-item" href="#three!"></a>
    <a class="carousel-item" href="#four!"></a>
    <a class="carousel-item" href="#five!"></a>
    <a class="carousel-item" href="#one!"></a>
    <a class="carousel-item" href="#two!"></a>
  <a class="carousel-item" href="#three!"></a>
  <a class="carousel-item" href="#four!"></a>
  <a class="carousel-item" href="#five!"></a>
  <a class="carousel-item" href="#one!"></a>
  <a class="carousel-item" href="#two!"></a>
  <a class="carousel-item" href="#three!"></a>
  <a class="carousel-item" href="#four!"></a>
  <a class="carousel-item" href="#five!"></a>

</div>
```

This is where you will put your profile users images.
